

General Comments

Alessi Warm-up

- When buzzing and slurring on the mouthpiece, always gliss slightly and use no tongue. Use the tongue for the first note after each breath
- Buzz gently in mf, never f or ff.
- Use natural slurs when possible

First buzz all of exercise 1, then play

continue descending chromatically to low e

First buzz all of exercise 2, then play

continue descending chromatically to low e

buzz only

play only

continue descending chromatically to low e
